- Travelling
- Books

01

## PROFESSIONAL PROFILE

Full Stack Developer with a proven ability to design, develop, and deploy robust web applications. Proficient in both front-end and back-end technologies, adept at crafting intuitive user interfaces and efficient server-side logic. Possessing a strong foundation in programming languages, databases, and cloud platforms. Committed to delivering high-quality, scalable, and maintainable software solutions.

02

## EDUCATION

### Vasavi Vidyalaya

KSEEB University (2018 - 2019)

- Secondary School Certificate (SSC) with distinction in Mathematics and Science, securing 90% overall.

### St Mary's College

Department of Pre University Education University (2020 - 2021)

- Demonstrated academic excellence in Biology, securing 95% in the Pre-University Certificate (PUC) examination.

### AIT College of Engineering

- Achieved an overall CGPA of 9.0 in Computer Science Engineering, demonstrating exceptional academic performance.

03

## PROJECTS

### Farmo: A Full Stack Project for Farmers

- Farmo is a promising full-stack project aimed at empowering farmers by providing a digital platform to connect with buyers, access market information, and manage their farming operations efficiently.

### Exam Monitoring AI using Flask

- Exam monitoring is a critical aspect of ensuring fair and secure online assessments. Leveraging Flask, a Python web framework, provides a solid foundation for building an AI-powered system.

04
